DECLARATION OF ORIGINALITY AND CESSATION OF COPYRIGHT

I Declare that the article: “Antagonistic activity of dairy lactobacilli against Gram-foodborne pathogens”, written by the following authors: Marco Geria, Angela Dambrosio, Giovanni Normanno, Vanessa Lorusso and Andrea Caridi for publication in: Acta Scientiarum. Technology, is original and has not been submitted for publication, in part or in whole, to any other national or international journal.

I also declare that once published in the Acta Scientiarum, a publication of the Universidade Estadual de Maringá, it will not be submitted by me or by any co-author to any other journal.

In my name and in the name of co-authors, I shall cede the copyright of the above mentioned article to the Universidade Estadual de Maringá and I declare that I know that the non-observance of this norm may make me liable for the penalties contemplated in the Law for the Protection of Authors’ Rights (Act 9609 of the 19th February 1998).

Reggio Calabria, October 6, 2012

(Prof. CARIDI Andrea)
