

Macapá, October 25, 2015.

To: Acta Scientiarum Biological Sciences  
Editor-in-Chief Dr. Ricardo M. Takemoto

Dear Editor-in-Chief,

We are submitting for publication in Acta Scientiarum Biological Sciences the manuscript entitled "**Crustacean parasites of six fish species from a reservoir in eastern Amazon (Brazil), and parasite-host-environment interactions**", which was written together with Huann Carillo Gentil Vasconcelos.

The manuscript represents original article on the crustaceans community that parasitize populations of fish in a reservoir from Brazilian Amazon, and it have also focus in the host-parasite interactions. Therefore, we hoped that this is accepted for publication in Acta Scientiarum Biological Sciences.

The decisions of the Board Editorial of Acta Scientiarum Biological Sciences should be sent to the second author, in the addresses below.

Sincerely,

A handwritten signature in blue ink, appearing to read "Marcos Tavares-Dias".
