Dear Editor,

We are submitting the manuscript “**Anabolic-androgenic steroids cycle administration decreases anxious-like behavior but does not affect long-term memory acquisition in rats**” for possible publication in the journal **Acta Scientiarum Biological Sciences**. We declare that the contents of this manuscript have not been copyrighted or published previously. It strictly followed all ethical procedures and it has not been submitted to any other journal for publication. The contents of this manuscript will not be copyrighted, submitted, or published elsewhere, while acceptance by the Journal is under consideration. Moreover, we are aware that, if the manuscript is accepted for publication, copyright now belong to this journal. If the editorial staff accepts the manuscript for publication, we will refer you to the revision of the English language.

Finally, we authorize, if necessary, the reformulation of wording and style.

With best regards,

*Prof. Dr. Luís Flávio Souza de Oliveira*
